

Bridesmaid Details:

Thank you for sharing this special day/time with me. I cannot imagine this day without you.

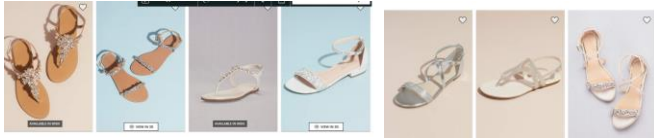

Colors: Table centerpieces will have some silver with mostly golds. Colors are Navy, Burgundy Red, Blush and Ivory.

Jewelry:

1. No pearls and no smart/bulky watches in ceremony or photos
2. I prefer drop earrings to post earrings and would encourage girls to stay away from any statement necklaces but if you have something you want to wear let's talk!
3. All types of metal jewelry are great! Can we please stay away from cheap or more casual jewelry?

Shoes:

- It is on a golf course so they said no heels on the green for photos or walking. Sandals are fine with a strap around the back but no flip flops for the ceremony or photos, after that is done no problem with flip flops. Comfort is key but refrain from making flip flopping noises down the aisle.
- Remember: if you have a slit we will see your shoes in most photos.
- I like this style if I were in my wedding party: flat and casual yet formal.

Nails:

- I have scheduled an appointment for us to get our nails and toes done on Tuesday, June 29th at 5pm.
- Can we please stick with more neutrals or matching with color scheme.
- Champagne allowed. (Bring a cup?)
- We can go to Testa Bara, the restaurant next door.
 - Please let me know if you would like to go so I can make reservations.

(This is a big girl event, so please leave your little ones at home- or drop them off with Kevin at our house to play with Cordelia).

- Long day I know. I'm sorry. Thank you for celebrating with me.
- Jamie is taking the lead on this portion of the festivities so if you have suggestions please contact her.
- I prefer a diamond or sparkle theme to a "penis theme" 😊
- There is a pool next door and they are allowing us to use it, please bring your bathing suits because IT WILL BE FUN.
