

OUR HYBRID CLASSROOM

MS. SCHMIDT

Hybrid Schedule:

Group A: Face to Face on Mondays and Wednesdays, with remote on teams on Fridays.

Group B: Face to Face on Tuesdays and Thursdays, with remote on teams on Fridays

What will it look like?

Face to Face Students:

Students will complete lessons and tasks on their in-person days and will have HW for their in-person days to complete at home that day- HW for in-person days is not considered work for your “non F2F” days.

At Home Days:

Students will complete tasks on their own time before midnight. Tasks, videos, assignments, activities, and work is expected to be done prior to the next in-person day the student has.

WHAT WILL WE DO IN SCHOOL?

YOUR F2F DAYS

What to do when you enter the class?

Walk in and read the board. It will tell you what to do and you should do it!

Safety:

Make sure to keep distance. If you are in our classroom, you are in your seat. Do not wander around or go hang out with others in our classroom.

Booklet

Scientific or Graphing Calculator

Calculators:

- You will be using your own calculators in the classroom this year due to Covid-19.

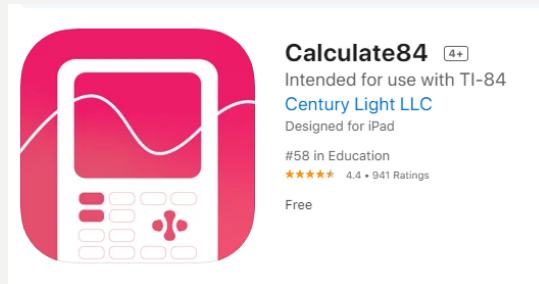

Other graphing calculator recommendations include TI-84 Plus Silver Edition ~You will need a scientific calculator if you do not purchase a graphing calculator. Scientific Calculator recommendation is:

-> TI-30x IIS ←

Do not get a TI-30XA

*If we go full F2F you will be required to have your own calculator in class for assessments. We really recommend you getting one.

Apps that you may use during hybrid learning only:

LESSONS

- Flipped model
 - Allows for more question and practice time
 - EdPuzzles log your progress

QUESTIONS

Time for questions has been built into almost all our face-to-face days. If students have questions, make sure you ask during this time. If you email a question about content, it is likely that the answer will be provided during your next F2F day.

ABSENT WORK

You will be accountable for your absent work. It will be located in Schoology and you will be expected to know what you missed. Many documents will be provided in your booklets so please make sure you are following along.

LATE WORK

Ms. Schmidt was very accommodating during remote learning for late work. Since you will have plenty of time on your home days, you will be expected to turn in work on time. Many students waited until grades were entered into the gradebook to view what they were missing, but this cannot be the case during hybrid.

GRADES

Grades will continue to be based on total points. I have provided an approximation below, however, all points may change based on the tasks.

EdPuzzles – 1-20pts

Checkpoints 5-20 pts

Assessments- up to 100pts

Booklet/Homework 5-10pts per collected/graded assignment.

Quarter Grade:

Grade	%	Grade	%
A	93%-100%	C	73%-76%
A-	90%-92%	C-	70%-72%
B+	87%-89%	D+	67%-69%
B	83%-86%	D	63%-66%
B-	80%-82%	D-	60%-62%
C+	77%-79%	F	<60%

Semester Grade:

All letter grades will not have minuses unless it is a D-.

THINGS TO REMEMBER:

- Email is always the best way to communicate.
- Pandemic learning is not normal, but it is necessary. I'm uneasy about hybrid as I have shared with many of you previously.
- Do your best, as I will too.
- We will meet as a whole class on Fridays via Teams.

WHAT SHOULD YOU DO NOW?

- Tonight's HW:
- Booklets Pg 3 #1-4 and #12-18 Pythagorean Theorem Review
- Get your calculators
- Make sure you go to Schoology on your "At home" days and complete your work each day. Many times, it is graded.

THINGS TO REMEMBER ABOUT REMOTE LEARNING

REMOTE DAYS ARE FRIDAYS

- **Be authentically you, considerate, patient, kind, optimistic, pleasant, hardworking, timely, organized, mature, and ready to learn in a new way!**
- **Understand this is new and things may be harder or easier than it is for a peer, allow growth and learning and limit frustrations and negativity.**

- **Log into class on teams at the beginning of your hour, daily (unless otherwise noted).**
- **In Teams, mute your microphone until it is your turn to speak.**
- Turn on camera if, and when possible- you may use your appropriate backgrounds if you want to be creative!
- In Teams, use the hand raise feature on the toolbar if you have a question and wait to be called on.

- Ask content related questions on the “Questions” discussion board on Schoology or during live Teams meetings *exclusively*.
- Personal questions or accommodations should be communicated via student and teacher email kschmidt@cvs.k12.mi.us (Example: You need an assignment to be reset or something isn't loading, but *not* I need help with #3).

- Learn how to use the platforms that we use within our classroom and if a tech issues arise, use the Technology Help Links folder on our classroom Schoology page and the documents inside to help.
- Always be school appropriate and follow student code of conduct and [guidelines](#).

- **DO NOT take your device in the bathroom during our meetings!**
- **DO NOT forget to share your animals, artwork, siblings, parents, fun tricks or anything else with your teacher after Teams meetings are over.**

DO NOT worry about clothing styles, eating, hydration, or your surroundings while on Teams, it is your house, just please make sure you follow the code of conduct and you just stay focused.

- DO NOT let a whole hour go by without taking a break from the screen. (Ms. Schmidt will also try to follow this)
- DO NOT use the Teams sidebar "Chat" unless instructed by the Ms. Schmidt. Questions are to be asked with the hand raise feature. *Please be respectful of this request.*

- **DO NOT** use any recording devices of your own at *any time*. Class meetings will be recorded and posted by your teacher.
